MANAGEMENT

COVER STORY

24 A SMARTER PROCESS

How combined heat and power is saving growers money and energy

FEATURES:

- 30 On the move**
A look at some of the carts available in the market
- 32 Travel to the tropics**
Nine tropical varieties to check out
- 38 Avoiding damage**
Preventing ethylene-related losses during postproduction
- 45 In a haze**
A look at some of the fogging and misting products available
- 46 Fighting fungus gnats**
How to use integrated crop management for fungus gnat control
- 50 Experts on growing media**
Experts take a look at three different aspects of growing media
- 54 Pythium solutions**
Which products are most effective for handling Pythium diseases

DEPARTMENTS:

- 4 Outlook**
Kristy J. O'Hara
- 6 Say What**
- 8 Online Contents**
- 10 Case Study**
- 12 Culture**
Agastache 'Nectar'
- 14 Variety Notebook**
- 58 The PEN**
- 62 Products**
- 63 Classifieds**
- 65 Ad Index**
- 66 Back Page**

COLUMNS:

- 16 Plant Health**
Raymond A. Cloyd
- 18 Growing Trends**
Tina Smith
- 20 Tech Solutions**
John W. Bartok Jr.
- 22 Business Minds**
Ray Benedetto and Molly Meyer

Canada Returns to be sent to Bleuchip International, P.O. Box 25542, London, ON N6C 6B2.

Echinacea Meteor Yellow

Meteor Yellow's double-yellow anemone-type flowers bloom in an upright compact habit. With good branching and multiple stems of non-fading blooms during the summer and fall seasons, it's ideal for the middle of the border. It's also vigorous, doesn't require staking, and grows well in Zones 4 to 10.

Sedum Elsie's Gold

Forming a bushy mound of serrated succulent green leaves, this sedum's leaf margins begin golden-yellow and age to cream by fall. Elsie's Gold blooms small, star-shaped pink flowers packed together into flat-top heads in midsummer. The flower heads start out pale and darken to a rich magenta by fall. With long lasting flowers and cold hardiness, Elsie's Gold is ideal for beds and borders.

Autumn Sunburst Azalea

A new addition to the Encore Azalea, Sunburst is true to its name, blooming coral pink petals with white-ruffled edges in single to semi-double forms. Its blooms are 2.5 inches in diameter. It grows compactly, reaching 3 feet in height and 3.5 feet in spread. Sunburst is hardy to Zones 6A to 9 and blooms profusely in the spring, summer and fall. **GM**
