## Description

Very bright, fuchsia cherry-colored double flowers are a spectacular companion to its sister Echinacea CARA MIA™ 'Coral'. Dark eyed, anemone flowers fill out to be one of the strongest colored Echinacea's to date. Combine the flowers with the great habit and dense pine-green foliage and you've got an instant consumer favorite. Fantastic in the landscape, high crown count, and bright unique double flowers make the CARA MIA™ series a standout.
