Diseases: No major problems

Day Length for Flowering: Short Day

Do NOT bury the crown of the plug

## Description

Brighten up your day with the cheery Rudbeckia 'Sunstream'! Full, rounded habit is covered with large, thick petaled golden blossoms with a deep chocolate eye. Inner and outer flower edge shows red tones with age that only adds to the attractive cut texture. Blooms June through October, new flowers covering the older for extended season. Fast and vigorous, great for summer and fall harvest displays.
