

TERRA NOVA® Nurseries Introduction

ACANTHUS

'WHITEWATER'

- Great bold accent in shade gardens or perennial borders.
- 3' tall ornamental flower stalks of pink and cream in the summer
- Bred for vigor, more hardiness, and heat and humidity tolerance
- Compared to 'Tasmanian Angel', 'Whitewater' features longer, more cut, more evergreen leaves
- Foliage Height: 36" - Foliage Spread: 36" - Flower Height: 48"
- Zones 7-10 - Part shade to full shade
